Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Wisconsin Archeologist, Vol. 20 In order to freshen and revitalize our interest in the Wisconsin archeological field, it is well occasionally to check up on the progress being made in adjacent areas. The prehistoric Indians had no knowledge of, and consequently were in no sense delimited in, their activities by the political boundaries which now separate the Mississippi Valley into states. Moreover, they were not so sedentary in their economic status that they did not, in the course of generations, move about from place to place over a considerable area. We now know that some of the tribes present in Wisconsin at the beginning of the historic period had migrated here from the east, the southeast and the north; and that certain groups formerly in Wisconsin had departed west and southwest before the arrival of the white man. Moreover, ideas diffused into Wisconsin from outside groups, as a result of trade or other social contacts. This influence can only be determined and evaluated through a cultural knowledge of the outside sources. Therefore, in order to...
