I got filled the next year, which was around April of 1995. . . The so-called prophetess had us going to different places with her, telling us God had a calling on our life. In Miracles Do Happen, a mother and her daughter go through numerous trials and tribulations. When a family member introduces them to a so-called-prophetess-a wolf in sheeps clothing, better known as the Devil in disguise-they fight to the finish and come out victorious. They conquer the Devil, and are now living testimonies. They survived all this by praising God, and God got the glory. This story is an encouragement to all those out there going through something. In spite of everything, believing in God and having faith can lead to miraculous things. Miracles do happen. This item ships from multiple locations.
