## BRUCE LEE (PAPERBACK)

[DOWNLOAD](#)

Oldcastle Books Ltd, United Kingdom, 2009. Paperback. Book Condition: New. New ed.. 176 x 112 mm. Language: English . Brand New Book. Way ahead of his time in terms of his physical training, Bruce Lee went against the grain of traditional martial arts to develop his own unique martial art, Jeet Kune Do. However, his art was much more than a physical fighting art, it was a philosophical way of life. Aside from being a world class martial artist, Bruce Lee was also a gifted filmmaker and accomplished actor, appearing in over a dozen Hong Kong dramas before the age of 13. This guide gives an account of each phase of his career. In 1966 at the age of 25 he appeared in the American-produced Green Hornet television series, which was to be the start of a newly revived acting career; one that would escalate him to international stardom. When his final film Enter The Dragon was completed, Bruce Lee was one of the highest paid actors in the world. Sadly, he died in 1973 before he could reach the pinnacle of his career. This guide thoroughly explores Bruce Lee s films and explores some of the myths that surround them.
