The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Frontier Ballads My Creed Now, this is the simple, living faith of a humble heart and mind, Drunk up from the storm-brewed Western streams, breathed in with the prairie wind. My paints are crude and my pictures rude, but if some worth they show Which those may see who have thoughts as free, the rest may let them go. I hold that the things which make earth good may work most harm in use If the wit of men heed not the line twixt temperance and abuse, For speech or mood, or drink or food may be a curse at will, Though, rightly weighed, they only aid the cup of life to fill. I hold that the silent sea and plain, the mountain, wood, and down, Are better haunts for the feet of men than the streets of the roaring town, And that those who tread for the price of bread in the thronging hives of toil Will stronger grow with the more they know of the kiss of the virgin soil. I hold that our sons should learn to love, not gods of gold and greed, But the virile men of brain and brawn who served our country s need, And should more delight in a clean-cut fight, stout blade and courage whole, That the morbid skill of a critic s drill in the core of a sin-sick soul.
