Brand New Book ***** Print on Demand *****.A short distance from where Rollo lives, there is a small, but very pleasant house, just under the hill, where you go down to the stone bridge leading over the brook. There is a noble large apple tree on one side of the house, which bears a beautiful, sweet, and mellow kind of apple, called golden pippins. A great many other trees and flowers are around the house, and in the little garden on the side of it towards the brook. There is a small white gate that leads to the house, from the road; and there is a pleasant path leading right out from the front door, through the garden, down to the water. This is the house that Georgie lives in.
