AMERICA'S FINANCIAL APOCALYPSE: HOW TO PROFIT FROM THE NEXT GREAT DEPRESSION (CONDENSED EDITION) (PAPERBACK)

AVA Publishing, United States, 2008. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.For nearly three decades, America has been gradually losing ground to the developed world in many critical areas. The result is that the American standard of living has been in decline for over two decades, with the middle class having been affected the most. Meanwhile, the rich have gotten wealthier and now America is a nation controlled by corporate America. Hidden by two-income households and open access to credit, declining living standards have gone unnoticed by most Americans. Spending beyond one's means has become the American way of life and is encouraged by the government. In contrast, saving is almost unheard of in America. As a result, this once power nation has changed from the world's largest creditor to the world's largest debtor. Decades of over consumption by Americans can only last so long before a day of reckoning occurs. The deflation of the Internet Bubble resulted in the paper loss of over \$7 trillion dollars, yet most people seem to have already forgotten the most scandalous charades in U.S. history by Wall Street and corporate America. And now, as the retirement assets of tens of millions of Americans are in question, an even larger number are caught up in the largest real estate bubble in our history. As we enter the two next decades, 76 million baby boomers will retire, most of them in poverty. Thus, the generation that was responsible for creating the greatest bull market in U.S. history may, through no choice of its own, also be the same group that causes an economic meltdown due to decades of government mismanagement, inadequate planning, and overconsumption. During this same time frame, many...
