## Reviews

*This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Not Sunday, Not School Bible Heroes!: A Once-a-month Children's Programme for Small Churches, Eleanor Zuercher, Ideal for church-based children's leaders working with 3-11s Not Sunday, Not School Bible Heroes! contains eleven off-the-peg themed activity programmes and a five-session holiday club based around the lives of Old and New Testament Bible heroes, both well-known and less familiar. The material builds on the success of Not Sunday, Not School! and Through the Year with Jesus! by offering a further year's worth of programme ideas to facilitate children's work in small churches and rural communities. Each two-hour programme offers material for a range of practical activities including storytelling, games, art and craft, drama, discussions, music, cookery and Bible teaching, plus ideas for an act of worship following a workshop session. These activities are designed to explore the stories of God working through people throughout history, including considering how we ourselves might fit in. The programmes are introduced with helpful hints on how to run an effective children's programme outside of Sunday worship, including information on planning and preparation, using the Bible, creative and reflective storytelling and a concluding act of worship.
