Brand New Book ***** Print on Demand *****.There s a blur between what is possible and what is impossible. And what is impossible to a lot of people is very possible to others. I know the struggle people with a dream go through to try and make money. John Lennon once justified himself by saying, Look, we can make money other ways than music, too. See, Yoko Ono and I have proven that, because we ve got a dairy farm that s profitable. Proving that you can make money a different way than music is interesting, when most people say it s impossible to make money in music. There s a blur between the possible and impossible, and I urge you to never let your doubts, fears, or...
