### ***Reviews***

*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.*

TEACHER CREATED MATERIALS, United States, 2015. Paperback. Book Condition: New. 224 x 173 mm. Language: English . Brand New Book. Long ago, the monkeys of Japan loved to play all year long, except in winter. The winters were very cold, the trees were bare and everything was covered in snow and ice. One cold day they discovered something amazing that changed how they survived the winters. With the hot spring swimming hole they could play in winter too! This exciting Readers Theater script gives everyone an opportunity to succeed as it offers differentiated roles with various reading levels. Additionally, a list of Tips for Performing Readers Theater helps students develop good stage presence, interact cooperatively with peers, and talk with feeling and meaning. With a glossary to deepen vocabulary and an accompanying poem and song, this four-act leveled script is the perfect tool to increase student fluency, comprehension, and content literacy in science.
