When Washington decided to build America's Super Conducting Super Collider in a small Texas town, the gold rush and land grab was on, too. News of the Super Conducting Super Collider brings all sorts of brows - high and low - into the race to get rich quick and discover the mysterious molecular nature of the universe. (historical fable) Peach trees have no real reason to grow in a hot climate like Parker County, Texas and you could almost say the same for some locals. But life presses on and biology teacher Ledonna Truehart can't understand what all the fuss is about when a band of residents petitions the court to have a pig fetus removed from her junior high biology lab. For her, it's enchanting evidence of the mysterious molecular nature of the universe. For them, it's a threat to decency. But attention shifts when word leak that the United States intends to break ground on America's first Super Conducting Super Collider (Atom Smasher)...
