Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

DOCTOR DUNBARS GOOD LITTLE DOG BOOK

James & Kenneth Publishers. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.3in. x 5.5in. x 0.4in. This little book is intended primarily as a brief but comprehensive guide to puppy training. Consequently, it contains hints for socialization, temperament training and behavior modification as well as tips for teaching basic manners. Dr. Dunbars lurereward training techniques are certainly not limited to puppies. On the contrary, they have become the method of choice for instructing good-natured, but otherwise uneducated adult dogs. Our best friend the domestic dog is a social animal. It would be unfair and antisocial not to train it. How else could we communicate? Luckily, dogs can easily learn our language if we teach them! Basically, training comprises teaching dogs ESLEnglish as a Second Language so that our dogs will understand human words for doggy behaviors and actions. Lurereward training is de rigeur for training a wide variety of animals, including lions, tigers, killer whales, and grizzly bears. Over a hundred years ago, similar reward-based methods were the accepted practice for training all dogs and puppies. Unfortunately, in the twentieth century, the Trainers from The Dark Side inflicted a harsher regime of laborious, on-leash, push-pull, squish-squash, narrow-brained methods on unsuspecting owners and their dogs. Sadly, domination was the focus and the poor defenseless dog was viewed as an adversary in the training arena. Force is unnecessary and almost always counterproductive. Why treat your best friend like your worst enemy? Welcome back to the historically-proven, so-old-that-its-new-again, natural, common-sense, and enjoyable way to train your dog: off-leash, lurereward, fun and games, dog-friendly dog training. Dr. Dunbars training techniques are altogether quicker, easier, gentler, more effective, and certainly considerably more enjoyable for you and your dog. And so without further ado, turn to the Good Manners section and begin training your puppydog right away. Lurereward training techniques...
