After thefe facts, can we avoid fmiling when we read fuch a pafgle as this We would affuræ oppofite grounds, and pronounce at once, that the ufe of rhyme prefents mathematical demonraion that thoe tl poems are glaring forgeries. How an hiflorical fact, even if it had been as the Critic thought, could make a mathematical demonftration, he has yet to explain! But whatever fort of demonftration he meant, the facts, as to the ufe of rime, inftead of proving the poems to be forgeries, are aufpicious to their genuinenefs. SECOND OBJECTION. The next objection, which has been fo triumphantly ufed is this: This Gentleman feemsto have been fonJ of this emphatic epithet; for after a (Turning and then afferting that the poems in queftion, were unknown to Nennius, Geoffrey and Caradoc, he fays, we may conclude with a mathematkal certainty, that they are modern...
