pastor is preparing a lesson, it's sometimes challenging to find  
a curriculum that really offers depth into the Scripture  
passages and goes beyond a cursory look at the text. A Youth  
Worker's Commentary on John is the first in a new series of  
commentaries developed with youth workers in mind. An in-  
depth, yet readable approach to the gospel of John, this first  
volume includes commentary, word studies, personal and  
historical stories, and discussion questions that will help get  
students thinking and talking. The gospel of John is the most  
personal and revealing of all the portraits of Jesus in the New  
Testament. This commentary has the entire NIV biblical text  
printed alongside a rich, deep look into the meaning of this  
gospel. Youth workers will find this to be an invaluable aid for  
message and lesson preparation. They'll get a solid  
understanding of the gospel of John, including its historical  
context, rationale, and meaning, to see how to apply what they  
uncover to the needs and issues the teens in their group...
