Cornerstone. Paperback. Book Condition: new. BRAND NEW, Bloody Heroes, Damien Lewis, In the Afghan wild lands, British and American special forces soldiers ate, slept, fought and died alongside each other - working in close-knit units the likes of which have rarely been seen since the Second World War. This is the story of the trials and exploits, the victories and defeats, of one of those units. The battle for Qala-I-Janghi would last a staggering eight days, from the moment of the first shots being fired at the start of the uprising to the hour that the fort yielded up the last Al Qaeda fighters. It is a battle in which over 500 terrorists would die - but which would also claim the life of a US serviceman and dozens of Northern Alliance allies, with scores of severely wounded British and American soldiers. And, in the final denouement, this savage battlefield turns out to be populated by the most ultimately shocking...
