Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Mechanical Universe Imagine a world where a majority of the people on the planet have been hypnotized. Imagine that virtually all the important world leaders have been hypnotized. In their hypnotized state they still do have a degree of functionality. They are not totally out of touch with reality, but their perception of the world is slightly amiss. They can still walk and talk. They still enjoy human relationships. They breathe, eat and drink. But their distorted perception causes them to act in ways that are destructive. Their distorted perception causes them to feel less joy in life. They are harming themselves, other people and the environment because of their distorted perception. And the basis of this distorted perception is that on a subconscious level of mind they have been programmed to believe themselves to be in a mechanical universe. Subconsciously they believe that they are surrounded by a giant machine. Subconsciously they believe that they are a machine within a machine. And these subconscious distortions are always there. On a conscious level of...
