Brand New Book ***** Print on Demand *****.It s a new world Parenting has always been challenging, but these days the hardest parts of parenting involve navigating around ever-changing gadgets and technology. Whether dealing with phones, tablets, computers, social media, or video games, parents need help managing this new electronic environment. Like brushing their teeth and eating their vegetables, kids need to know why healthy media habits are important. Wake up! Pay attention! Misuse of technology is a real and present danger that can lead to a zombie apocalypse in your home. This eye-opening book offers hope for parents battling the technology monster. Learn how to deal with the harsh reality of technology in your home and how to set technology boundaries for healthy and happy children and teens. "Lee Binz has hit the nail smack on the head for clearly identifying the impact technology is having on our children, families, and schools, and what to do about it. TechnoLogic demystifies a very complex issue, helping readers to sort out problem areas and identify solutions. TechnoLogic is for everyone who cares about creating better lives for children." ~ Cris Rowan, Occupational Therapist and Author of Virtual Child "Lee Binz deftly guides parents about the dangers that accompany gaming and internet addiction in this valuable book. Follow her advice, end the power struggles with your children and teens over their technology use, and be well on your way to rebuilding harmony in your family life." ~ Kim McDaniel, M.A. Family Therapist, Author, and Parent Coach.
