Not only is she expected to accept that Anders is immortal, but also that she is the woman destined to be his life mate! . . . Or does it? Anders felt a connection to Valerie from the moment he cradled her bruised body in his arms. But before he claims her, he must destroy the vampire who almost stole her from him forever. His job would be easier if Valerie didn't fight him every step of the way. Still, Anders loves a challenge, and the green-eyed beauty is worth fighting for!.
