

Mindwar (Paperback)

By Andrew Klavan

Thomas Nelson, United States, 2015. Paperback. Book Condition: New. Reprint. 211 x 137 mm. Language: English . Brand New Book. When Rick lost the ability to run, he came one step closer to becoming a hero. New High Score! New Record Time! Rick nodded with grim satisfaction. He laid the game controller aside on the sofa and reached for his crutches. Rick Dial was the best quarterback Putnam Hills High School had ever seen. Unflappable. Unstoppable. Number 12. But when a car accident left him crippled, Rick's life as he knew it ended. He disavowed his triumphant past. He ignored his girlfriend. He disappeared into his bedroom and into the glowing video screen. But Rick's uncanny gaming skills have attracted attention. Dangerous attention. Government agents have uncovered a potentially devastating cyber-threat: a Russian genius has created a digital reality called the Realm, from which he can enter, control, and disrupt American computer systems . . . from transportation to defense. The agents want Rick, quick-thinking quarterback and gaming master, to enter the Realm and stop the madman before he sends America into chaos. Entering the Realm will give Rick what he thought he'd never have again: a...

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
